WORK HISTORY

I have been involved in many projects from low budget Art house productions to large scale Blockbusters, and hundreds of TVC's.

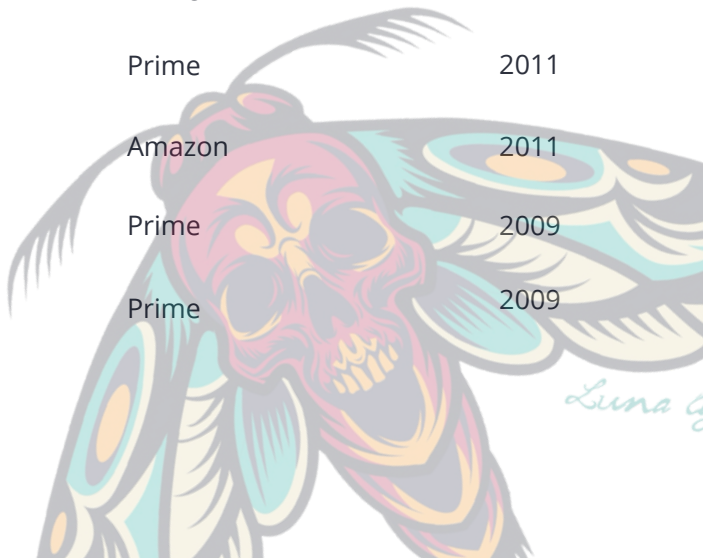

I have worked with some of the greats of Cinema photography as well as those just starting out.

I pride myself and my team in being a suppoprtive and respectful department, who will work hard to ensure the best possible outcome for Production and Client.

With this experience handling a range of budgets, I am practiced at managing them to deliver value whilst not sacrificing quality.
