HOPE PAPALI'I

FREELANCE PRODUCTION

I am an ambitious 28-year-old producer with several successful credits. I have excellent organisational and relationship skills, a keen attention to detail, the ability to work accurately under pressure, lead teams and crew, prioritise tasks appropriately, meet deadlines and respond flexibly to competing demands. I recently produced film called INKY PINKY PONKY that has just been nominated for an NZTV AWARDS best drama and played at IMAGINATIVE FILM FESTIVAL in Toronto. I am passionate about film and storytelling, have worked extremely hard during my career and I'm currently looking for that next opportunity. For 2024 Fresh Fairytales S2 has been nominated at the NZTVA awards for best childrens show.
