I'm a 21-year-old university student in my final year of a Bachelor of Film and Television, based in Melbourne. I'm a motivated and ambitious filmmaker specializing in the camera department, driven by a passion to learn new skills and collaborate creatively to achieve the highest quality outcome on every project. I actively involve myself in a wide range of formats and roles, seeking every opportunity to expand my experience and strengthen my craft. I take pride in fostering an inclusive and welcoming atmosphere on set, approaching each production with confidence, curiosity, and a genuine eagerness to learn.
