PROFESSIONAL SUMMARY:

A dedicated and creative fourth-year Film and Television student at Swinburne University of Technology, with a strong academic foundation and hands-on experience in various aspects of film production. Eager to expand practical knowledge and develop professional skills on set, particularly as a Production Assistant while working toward a future career in camera. Proficient in the use of industry-standard software and equipment, with experience in pre-production, on-set operations, and post-production processes. Adept at working in fast-paced, collaborative environments and managing multiple tasks simultaneously. Seeking opportunities to contribute to professional film and television projects while gaining valuable industry experience in production support roles.
