Location: BERWICK, 3806
South East, Melbourne.

I am a passionate and motivated Melbourne based filmmaker with a drive for visual storytelling, pursuing every opportunity to expand on my skills and knowledge through collaboration, aspiring for the best result every time. Whilst maintaining a casual retail job, I'm currently graduating with a Bachelor of Film and Television (Honours) at Swinburne University. Throughout my final year I've actively sought out every chance to get on set experience, including volunteer and professional work as a camera and lighting assistant as well as a cinematographer. I am incredibly committed to dedicating my time post graduation to refining my craft and building a career behind the camera. I am confident in my ability to listen and learn, whilst maintaining a proficient and inclusive attitude on set.
