Swinburne University,  
Bachelor's Degree of Film and  
Television (Honours)

## Professional Summary

Emerging film & television crewmember specialising in the LX department for drama, TVC, music video, and short film. Remus has accrued more than two years of production experience across several disciplines, gaining expertise in setting-up DMX, LED, tungsten, and HMI lamps, as well as various grip and studio equipment. Remus also has excellent technical & safety knowledge, alongside team-working skills that create a swift and collaborative set-environment.
