Marden is an award winning cinematographer who works across the board on drama, documentaries, music videos and commercials. He has completed an MA in cinematography at the Australian Television and Radio School and has gone on to enjoy close, adventurous collaborations which have taken him across Australia and around the globe. He brings to each project a passion for story and the experience to bring any vision to life.

Marden has shot films that have screened in several international film festivals that include Sydney and Melbourne International Film festivals, Palm Springs, Flickerfest, Tribeca and the Dendy Awards amongst many more.
