 P2 Drivers License & Car

I am a 22 year old aspiring filmmaker based in Melbourne, with a recently completed Bachelor of Film and Television (Honours) from Swinburne University of Technology. With a focus on the art department, I actively engage in a variety of production design roles, striving to achieve the highest creative standard across every project. I hope to continue gaining hands-on experience within the Australian screen industry, whilst fostering valuable professional relationships and refining my craft. I am a driven, artistic, and articulate individual with a passion for learning, collaboration, and visual storytelling.
