## PROFESSIONAL SUMMARY

Organised and dependable.  
Successful at effectively managing multiple priorities with a calm positive attitude in any situation.  
After spending 23 years across both private and public emergency departments, I have sound clinical assessment skills with an excellent understanding of injuries/illnesses and the effective strategies to treat these.  
I am passionate about providing a gold standard of care for crew and cast alike.  
I am approachable, compassionate and able to develop a positive professional rapport with all.  
I bring great energy and enthusiasm, important for supporting cast and crew in maintaining healthy bodies and minds.
