Isobel has worked in various environments, including beauty, advertising, film, TV, and commercial settings. She trained at The Academy of Makeup where she became qualified in makeup, hair, and special effects. She developed her makeup skills while working as a Retail Manager at M.A.C Cosmetics for 3 years and continued to work in her spare time as a freelancer.

At M.A.C, Isobel focused on fashion and trend-driven makeup. To develop her hair skills, she then completed her training as a Barber at Biba Academy at the Fitzroy and Swanston Street salons. Isobel also did further training at Kings Domain Barber Academy, where she expanded her barbering skills and techniques in cutting and styling.
