## Motion Picture Production Services

### Technician Profile: Cam Stewart

Melbourne, Victoria | Updated 15/9/2025

With a career in motion picture spanning more than 10 years, Cam understands what a production needs to succeed.

Operating across narrative, content and commercials, he is guided by the belief that an integrated, multi-disciplinary solution is key to empowering creativity.

Cam is known for his calm, collected demeanour and brings with him an intricate understanding of both the technical and artistic fields of film, always working to ensure that the two are seamlessly bound on screen.
